I am running for Treasurer to promote integrity, transparency, financial responsibility, and accountability for our members.

With 12 years at BART, I have actively organized workers and protected our contract while helping to elect Pro-labor Directors to the BART Board.

I work as an RS&S Foreworker and Area Steward for the West Bay. A TVM by trade, throughout my Union career, I have served in various Union roles, including TVM Chief Steward, Chapter Election Team Chair, and Executive Council. I also served on several contractual committees such as the FEC, JUMHSC Chair, and the SMS Safety Committee.

As an SEIU COPE Delegate, I support our Chapter's political efforts while ensuring responsible use of COPE funds.

I aim to protect our financial resources, preserve our work rights, and to fight for a fair contract in 2027.
