Dear BART Co-workers,

I'm honored to be running for re-election for Chapter Secretary and I promise to continue representing our Chapter with integrity and transparency.

As a member of the 2024, 2022, 2020, 2017 Contract Extension Team and Contract Negotiator in 2013, I ensured that all members were fully represented and we got a fair and equitable contract.

As an Alameda Labor Council and COPE Delegate, I will continue fighting for resources in order to elect Labor friendly Directors to the BART Board.

I'm active in many Union committees and previously served as Chair of the VWP-Violence in the Workplace Committee.

I have a community organizing background. I possess skills in office support, typing, and communications. In addition, I've worked as a trainer and operations coordinator in the private sector.

Sisters and Brothers, I believe that the biggest challenge we face, in the upcoming years, will be to stand strong and to come together as one; we should put aside our differences in order to enforce the contract and to protect our rights as workers.

I am committed to strengthening and supporting our Chapter.

The BART A-Team core values are-
Member-Engagement, Action, and Transparency.
